## **Presiding at the Table policy summary**

Beginning in 2025 Ruling Elders who wish to serve the presbytery by preaching and presiding at the table for congregations in need of a pulpit supply must complete the Preaching in the Word in the World training and Presiding at the Table training. The Commission on Ministry (COM) is responsible for approving and commissioning qualified persons, with recognition occurring at the

next stated Presbytery Meeting. Commissioned Ruling Elders must remain on the Presbytery's Pulpit Supply list, may only officiate in their home congregation under limited circumstances and with session approval, and are required to submit quarterly reports documenting their service.
