

Presbytery of the Highlands
Stated Meeting
Nominating Committee Report – Part 2
September 15, 2026

The Nominating Committee and the moderators of Committee on Representation (G-3.0103) are now accepting applications from members of the Presbytery who are interested in serving on the Presbytery Leaders Search Committee.

The Search Committee will consist of seven to nine members, selected with an eye toward balanced representation across the Presbytery. In forming this committee, the Nominating Committee will seek to reflect a mix of genders, include both clergy and elders, and draw members from across the various counties that make up the Presbytery. Age diversity will also be a priority, ensuring that different generations have a voice in the process.

Beyond these demographic considerations, the committee is looking for individuals who are active and engaged in the life of the Presbytery, and who have the availability to fully commit to the Search Committee's schedule and responsibilities.
